Helped me learn to handle responsibility and use my time wisely	✓				
Helped me discover new aspects of myself that I didn't know existed before	✓				
Helped me develop new interests and abilities		✓			
Helped me clarify my career goals		✓			
Provided me with contacts which may lead to future employment		✓			
Allowed me to acquire information and/or use equipment not available at my Institute		✓			

In the Institute internship program, faculty members are expected to be mentors for students. Do you feel that your faculty coordinator served such a function? Why or why not?

yes, the faculty coordinator guided me during the internship, provided necessary instructions & helped me track my progress.

How well were you able to accomplish the initial goals, tasks and new skills that we reset down in your learning contract? In what ways were you able to take a new direction or expand beyond your contract? Why were some goals not accomplished adequately?

I was able to accomplish most of the initial goals & track successfully. I gained practical knowledge in Frontend development & UI/UX design.

In what areas did you most develop and improve?

I improved my skills in Frontend development, UI/UX design, problem-solving & time management. I also developed better understanding of

What has been the most significant accomplishment or satisfying moment of your internship? ^{real world} The most satisfying moment was successfully contributing to the development & completion of Travento travel website.

What did you dislike about the internship?

There was nothing major to dislike. Initially, adapting to new tools was challenging, but it improved with time.

Considering your overall experience, how would you rate this internship? (Circle one).

(Satisfactory/ Good/ Excellent).

Excellent

Give suggestions as to how your internship experience could have been improved. (Could you have handled added responsibility? Would you have liked more discussions with your professor concerning your internship? Was closer supervision needed? Was more of an orientation required?)

The internship experience was very good. More regular interactions with mentors & additional hands-on tasks could further enhance learning.
